- Financial Support

Welcome to the first edition of the Hope Village Newsletter! The goal of the newsletter is to keep the community informed of the latest information with the tiny house village.

THANK YOU!

Hope Village would like to thank everyone in the community that has provided support in any way for the purchase of the new property for a Tiny House Village. Whether it be through donations, volunteering, lobbying or praying, this next phase wouldn't be possible without you.

HOPE VILLAGE RELOCATION

Work has begun on the former dental office on the property to be used as a community building. It will include bathrooms, showers, laundry, offices, conference room, kitchen, dining and community room. The property is being developed for the placement of ten tiny houses in early 2022.

HOW ARE THE HOUSES LOOKING?

Thanks to Ken and his crew, the tiny houses are in good shape. They are currently getting the houses in summer mode by maintaining the AC units, replacing batteries in the smoke alarms, replacing locks and toilets and doing any touch-up painting as needed.

Tiffany and the cleaning crew make sure all the houses are thoroughly cleaned and stocked between guests so everyone can be off to a good start.
